

Associate Investigator

program announcement

Purpose

Rehabilitation Outcomes Research Center of Excellence - Gainesville, Florida

The intent of the Associate Investigator Program is to provide research training for clinician and non-clinician scientists who have little or no research experience. The training will be provided by mentors who are senior principal investigators of Department of Veterans Affairs (VA) Research and Development (R&D) non-mentored, national peer reviewed research project awards or senior investigators who are part of Centers of Excellence or Research Enhancement Award Programs (REAPs).

Funding Support

\$50,541, per year for a 24 month fellowship

(This may be extended one to two years, but must not exceed four years.)
Plus \$1,000 (one-time) travel fund, to present your VA research at a scientific meeting.

Eligible Students

- U.S. Citizen
- May hold M.D., D.D.S., or Ph.D. degrees

Applications Due

June 15, 2005
